Tasty Tuesday

We will be making banana bread together! Once you register, you will receive a copy of the recipe so that you can have the ingredients and supplies ready to go. Back by popular demand, Chef Georgie Boss and her teaching assistant, Carmen Aquino-Velez, will guide us through making a loaf of banana bread. She will also share tips and tricks for making cooking together a rewarding experience for both children and adults!

Work Together Wednesday

Please have something you can shake to make sound like a maraca or spice container (or plastic egg) filled with a small amount of rice, buttons, etc. Join us for a fun time of singing, moving and reading together with the fabulous "Singing Sarah" Niileksela! Sarah is a Board-Certified Music Therapist who delights in working with young children. You're sure to end the day on a joyful note with this event.

Artsy Thursday

Join us for a fun, interactive storytime with early childhood specialist, Anne Harris. She will share books with an art-related theme. While it is not necessary to have a book with you, one of the stories that Ms. Anne will be sharing is Ain't Gonna Paint No More by Karen Beaumont. If you happen to have a copy of the book, you are welcome to bring it with you when you join the storytime.
